

# Varsity Men Meet Alums

Here's the THS Sked Again

## Camino Set For Opener

El Camino's Warriors gridsters open the door on the 1952 season Saturday night when they tangle with the El Camino alums on the local field at 8 bells. It'll be a bang-up classic with a hopeful varsity squad out to take a poke at the old men of football.

Players from the Warriors' past championship crews will be on hand to take turns for the Alumni, and they seem to think it will be no great chore to push their way past the El Camino upstarts.

## Tartarbabes Set For Scrimmage With Serra Bees

A team comprised mostly of freshmen will meet Serra High School for a practice scrimmage Monday as the Tartar Bees get their first crack at play.

Seven out of eleven players are fresh boys, and although the squad will size up in weight and height with most of the Bay leaguers, they'll lose it in experience.

Coaches Don Porter and Dick Leech are putting their charges through daily paces, but have expressed great concern over the newness of the team.

Another scrimmage is slated for Friday, Sept. 26, at Compton's Excelsior High. The Monday practice meet will be held on the local field.

## Bend-Harbor Yacht Race Set Saturday

Seven of the Southland's outstanding yacht clubs will be represented in the fleet of sailboats which will compete in an annual running of the Matt Walsh Trophy Race, sponsored by the Winard Yacht Club.

Grands and seats are available all along the bluffs of the Palos Verdes Hills as the 15 to 22 foot ships sail the course from Portuguese Bend to Redondo Harbor.

Starting time is 1 p.m. Congressman Cecil R. King, himself a yachting enthusiast, will command the "Serenade" flag-ship for the event.

## Legion Bowling Team Rolls for 2nd Place Hope

The Torrance Aces, representing the Bert S. Crossland American Legion post, will attempt to gain undisputed possession of second place in the 19th District league tomorrow night at Lomita's 101 Bowl.

Captain Joe Platt's Aces, boasting the membership of such bowlers as Lou Deinger, Red Kolden, Gordon Arnold and Howard Weber, will meet a Long Beach crew in tomorrow's tussle.

Last week's 3 wins over the Torrance Jokers, a team also entered by the Bert S. Crossland Post, was overshadowed by a 299 scratch game turned in by Cecil King of the Wilmington Tigers. Harry Green's 173 was the leading local score, with Ross Hood's 171 a second.

Lyle O'Hara cracks the whip over the Joker squad. The Jokers will meet Lomita in tomorrow's games.

Gardena tops the league, followed by Wilmington, with Long Beach, the Aces and Compton in a tie for third. The Torrance Jokers have won one and dropped three.

## Smuggled Russ Car Listed for Carrell Classic

The mighty motorbikes take to the dirt again tomorrow night at Carrell Stadium, but it's Saturday's classic that has the fans in a dither.

A pair of mystery cars, the late series '52 Hudson Hornet and the smuggled Russian-built Pobeda, share public interest in the 300-lap Coast stock car championship, starting at 8:30.

All in all, 35 cars, including five brand new '52 jobs, will go to the post. Drivers include Torrance's own Wayne Dickerson, who will pilot a '50 Olds 88, and Lomita's Andy Pierce, driving a '50 Plymouth.

Other cars include a '51 Studebaker, lots of Fords and Olds 88's, Meres, a Buick, Packard, and others.

Time trials are set for 7 o'clock.

## Annual Lapidary Show to Open Saturday Noon

All kinds of stones, from the rough material as picked up in the field to finished and polished gems set in items of jewelry, will be on display this Saturday and Sunday at Clark Stadium in Hermosa Beach, when the South Bay Lapidary Society puts on its third annual show.

This society serves the communities of Manhattan Beach, Hermosa Beach, Redondo Beach, Inglewood, Hawthorne, El Segundo and Torrance, and is noted for the way its exhibitions have pleased the public.

There will be plenty of room to examine and see the exhibits and the members will be glad to give information regarding displays and the work and equipment that is used in cutting and polishing stones.

Anyone interested in collecting stones or in learning to cut and polish them will find this exhibition of interest.

Hours are from noon till 9 p.m. on Saturday, Sept. 20th, and from 10 a.m. till 6 p.m. on Sunday, Sept. 21st.

To reach Clark Stadium take Pier Ave. to Valley Drive, turn south right alongside the railroad tracks to the building beside the tennis courts. There will be signs at the corner of Pier Ave. and Valley Drive. Admission is free.
